

# LE JARDIN

## BRASSERIE

Tucked away on one side of the grounds, Le Jardin offers a two-fold ambiance between its bucolic terrace unlike any other in Reims, and an immense loft-like building, designed in a resolutely contemporary style around an open kitchen.

In this venue, Chef Philippe Mille leaves protocol at the door, creating a free-wheeling menu based, as always, on generosity, headline products and the same demanding sourcing as for Le Parc restaurant.
